Momentum

A 15-month, spiritually
inspiring, global professional
development fellowship for
teachers as change agents

Join a transformative
experience of inspiration and
hone skills in cutting edge
educational tools to turn
students on to vibrant Jewish
journeys.

APPLY NOW

Experience an eight-day transformative journey with over 400 Momentum participants from around the world, and an additional two-day deep dive into a pedagogy for the 50 educators joining the educators initiative.

Create a global collaborative educational network with educators and schools all over the world, featuring listserve conversations and webinars with master educators.

Select a focus pedagogy* and engage your students in a project to be shared internationally.

Deepen pedagogic approaches to help students experience and embrace your school's core Jewish values.
